TIME: 1:30 PM - 1:40 PM

Roger Denton addresses the Court on behalf of plaintiffs. Adam Hoeflich addresses the Court on behalf of defendants.

Regarding the status of supplemental discovery from Bayer - The Court advises it will give guidance as to the deadlines in the near future.

Mr. Hoeflich advises the expert discovery is underway and the parties are working together to get this accomplished.

Mr. Denton advises that one draft regarding the authentication of documents has been prepared by the parties and they believe additional conversations will be held and they are hopeful finalization will be submitted to the Court by Friday.

Regarding the Pretrial Scheduling Order, Mr. Hoeflich advises the parties have exchanged drafts and are close on many issues and hope to resolve any issues at the next conference with the court.

Expert disclosure from Bayer - Mr. Hoeflich notes the Court has been informed of each side's position with respect to disclosure of experts. They are to supplement disclosures they have provided. Court will memorialize the Court's directives with an order.

Regarding de-designating EURAS Case Summaries, this issue has been brief fully by the parties and the Court has taken this under advisement.

The next status conference will be Monday, October 24 at 1:30 PM. Pre-conference will take place at 12:00 PM
